Women-Owned Small Business program Training

Thursday October 20, 2011

Looking for greater procurement flexibility?
Join us to learn how to take advantage of the set-aside strategies allowed under this new program.

Training is open to everyone in the acquisition workforce.
No registration required.

The Women-Owned Small Business (WOSB) program was established to develop, coordinate, and implement a national program for women-owned business enterprises that supports the growth of women-owned small business concerns through programs and activities, including outreach and technical assistance.
